

# Appleseed Shoot

Sponsored by the Revolutionary War Veterans Association, a 501(c)(3) organization

**Birmingham, Alabama**  
Steel City Sports Shooting Association  
Hoover, Alabama

**2-Day Marksmanship Clinic**  
**July 4-5, 2009**

All shoots start promptly at 08:30, unless otherwise specified.

The Appleseed Program is designed to take you from simply being a rifle owner to being a true Rifleman. All throughout American history, the Rifleman has been defined as a marksman capable of hitting targets from 500 yards away! This 500-yard range is traditionally known as "the rifleman's quarter-mile;" a rifleman can hit just about any target he can see.

Learn the "Six steps to firing the shot." Learn correct firing positions and proper use of the sling. Hear some little-known Revolutionary War history and reaffirm your heritage. Become a more influential citizen and make America a better place.

## What you should bring:

A desire to learn and improve.  
Centerfire or .22 rimfire rifle, or both.  
Scope OK. Sling strongly recommended.  
250 rounds of ammunition per day, per rifle.  
Eye and ear protection. Mat or ground cloth.  
Hat and sunscreen. Rain gear, layered clothes.  
Water, lunch, snacks. Some friends!

## What you can expect:

**New Shooters** - learn the fundamentals and make quick progress.  
**Experienced Shooters** - learn techniques to tighten your groups.  
**Expert Shooters** - polish your shooting AND teaching skills.  
**Everyone** - expect to have a great time!

**Attendees have said:** "... [spent] time doing something fun with my son...I am so proud of him!"

"... had a terrific time with my wife and we are looking forward to our next Appleseed."

"... received more quality instruction in two days than I've had in four years on active duty!"

**Why should you come...another reason?**

To hear the story that every American should hear. About how your forebears took up arms, on the first day of the American Revolution, and did things no other people in the world have ever done. To learn things you don't learn in school, about that day. About the real start of the Revolution. According to Sam Adams, it was over *before* it started.

**Another reason...**

To meet fellow Americans who feel like you do, and to bathe in an association with real Americans that is lacking in your everyday life, so you'll go back home rejuvenated - and maybe with hope for the future, for the first time in years.

**Another reason...**

To qualify to purchase an M1 Garand — still one of the world's finest battle rifles — and a true piece of American history...direct from the Civilian Marksmanship Program for a price several hundred dollars under market.

Walk-on fees are \$80.00 for both days, or \$50.00 for one day.

Pre-register, be sure of a place, and save! \$70.00 for both days, or \$45.00 for one day.

Shooters under 21, active military (including reserves and guard), and women shoot for FREE!

*Attendees are responsible for determining applicable firearms laws of the host state and for travel.*
